WELCOME TO THE GREAT DISSOLUTION SALE.

Actions speak louder than words. The senior partner of this firm is to retire. The firm-name is to be changed. This emergency necessitates the closing up of books and accounts, necessitates the taking of stock and the raising of cash. For the past three weeks this store has been the scene of the greatest and most extraordinary low-priced selling ever in the history of Richmond. As a stone gathers impetus on its way down hill, so has this great cutting and slashing of prices gradually taken in the stock on hand and that received from importers and manufacturers, orders for which were given before the firm was dissolved, and which go on sale this week. Quantities are unlimited. Merchants visiting the city during the reunion are invited to make their purchases here. They will find the prices lower than any wholesaler is willing to make unless he should be forced by such an emergency as we must meet. Anybody may send packages or satchels in our care. Lodgings and board may be obtained by applying at our Information Desk. Ask any policeman or citizen to direct you to Julius Meyer & Sons, Sixth and Broad streets.

NEWS NOTES FROM THE COCKADE CITY.

Death of a Well-Known Lady—

Expects to Get Nearer Head—

Two Robberies—A Big Saving—

Personal.

PETERSBURG, Va., June 27.—(Special.)—Mrs. Maggie Talley, wife of Mr. William H. Talley, one of our most prominent dry-goods merchants, died at her husband's residence, on High street, at a late hour last night, after an illness of only a few days. She was only 22 years of age, and leaves two young children, as well as a large circle of relatives and loving friends.

It is understood to-day that the first three games in the second half of the series, which had been arranged to take place in Roanoke between the Roanoke and Petersburg teams, have been transferred to Petersburg, beginning on the 4th of July. The Petersburg team comes out "foot" in the first half of the series of games; but it has been so strengthened, and so much ambition is displayed by the players, that the team expects to be at or near the top of the league record for the season.

Last night the private car of Captain Lloyd, of the Atlantic-Coast Line railroad, was broken into, and robbed, at Acree Station, near this city, of a watch, valued at \$50, and \$10 in money. The watch was recovered here to-day, where

it had been sold for 30 cents by a negro boy named Peter Blankenship, who says the watch was given to him by another negro to dispose of. Peter is in jail.

ANOTHER ROBBERY.

Night before last the office of the Petersburg Crystal Ice Company was robbed of a suit of clothes, a watch and chain, a scarf-pin, and other articles belonging to one of the employees of the company. There is no clue to the perpetrator of the theft.

Rev. Dr. J. M. Pilcher left to-day for Saluda, Middlesex county, where he is to preach to-morrow and deliver an address in honor of children's day exercises at the Baptist church in that place.

A BIG SAVING.

It is stated that over \$12,000 has been saved to the city within the past year in the matter of the exchange of bonds bearing a lower rate of interest for the purchase of bonds for the sinking fund.

Mr. R. Kilmartin, for the past several years the efficient Deputy Sergeant of this city, went out to Richmond this morning to stand an examination before Judge Wellford for license to practice law. Mr. Kilmartin recently stood a highly creditable examination before Judge Hancock in this city.

Wednesday being a Masonic festival day, refreshments were served at the residence of Dr. I. H. Trimble, not only to the members of the fraternity and their wives, but to a goodly number of invited guests, including the members of the Highland Cornet Band.
Several pieces of music were played by the band close by the Doctor's personal telephone-box, and the receiver being thrown open, music was heard and enjoyed by all who wished to hear along the line, east and west.
